### **Information about Easy Pay**

You can pay bills either on an automatic recurring basis or periodically as You request. You must designate which of Your Accounts will be used for Easy Pay.

To use Easy Pay, You will provide Us with the name and address of the Payee, Your Account number with that person and any other information We require to properly debit Your designated Easy Pay Account with Us and credit Your Easy Pay Account with the Payee. You agree to allow the number of days to process as indicated by the Processing Date for each Easy Pay. You also agree that Your Account will have sufficient Account Balance on the Processing Date. If Your Account does not have sufficient Account Balance, We will attempt to re-process the Easy Pay on the next two Business Days.

If Your Account number or any other information changes, or if You wish to add or delete Payees, You must enter all such designations and changes in the appropriate fields through the Easy Pay application prior to the Processing Date. You authorize Us to make all changes submitted by You or any other person having access to Your password and Account information.

Easy Pay is processed either through an electronic transmission to the Payee or by check drawn from your Credit Union share draft account which is mail to the Payee. Payees who receive electronic delivery will receive Your Easy Pay information, including Your Account number with the Payee, through a secure network. All Credit Union share drafts are sent through the U.S. mail. Payments made by check are generally received and credited by most Payees within five to seven Business Days. If We receive any Payment Instructions from a Payee, We may follow those instructions, to help ensure that the Easy Pay is received by the Payee and promptly credited to Your Account. Notwithstanding anything to the contrary contained herein, within the first ninety (90) days of the date you first become a member of the Credit Union, all Easy Pay payments will be processed by check.

### **Processing Date for Easy Pay**

In order to ensure that Your Easy Pay will be received by the due date You specify during Easy Pay set-up, Easy Pay Account collected funds must be available on the Processing Date. If the payment is made electronically or by check to the Payee, Your Account will be debited on the business day following the Processing date. If Your Account does not have sufficient Account Balance, Your Easy Pay processing will be frozen until such time that the payment is honored. We will attempt to process the Transaction on the next two Business Days. In the event that Your Easy Pay is frozen, any payments scheduled to occur during this period will be cancelled. If the payment is honored Your Easy Pay will be re-enabled within 3 business days. You will need to re-setup any cancelled payments. If after 6 months You still have not honored the payment, any future use of Easy Pay will be denied.

### **Prohibited Easy Pay and Service Limitations**

Payments may be only to Payees with a United States address. You agree to not make a Easy Pay of alimony, child-support, taxes or other governmental fees, or court-directed payments. There is a \$1.00 minimum for Easy Pay Transactions. The maximum permitted Easy Pay amount is \$5,000.00 per Transaction. The daily maximum permitted Easy Pay amount is \$5,000.00 per member.

We reserve the right to refuse to pay any merchant or other person to whom You may direct an Easy Pay. We are obligated to notify You promptly if We decide to refuse to pay a Payee. This notification is not required if You attempt one or more of the prohibited Easy Pay set forth above.

### **Processing Date for Funds Transfer**

Fund Transfers are processed on the same Business Day as Your Instructions through the Home Banking service. The Home Banking service is a "live" real-time service. The service may be unavailable at times due to system maintenance.

### **Funds Transfer Limitations**

You may transfer funds through Home Banking in any amount between \$1.00 and \$25,000.00, subject to funds available. Under federal regulations, You may make no more than six Funds Transfers and telephone transfers, including Home Banking Transactions, per month from Your savings or money market deposit Account.

Of these six Transactions, You are limited to no more than three Transactions per month by check, draft, debit card or similar order to third parties. Each Funds Transfer or Easy Pay from Your savings or money market deposit Account is counted as one of the six limited transfers You are permitted each month. (However, payments to Your loan accounts with Us are not counted toward this limit for savings and money market deposit accounts.)

### **Canceling an Order**

You may cancel or edit a pending Easy Pay until such time that the Transaction is processed, by selecting and accurately completing the appropriate fields from within the Easy Pay application. If We do not receive Your complete and accurate instruction canceling or

editing a Easy Pay prior to such times, We will process the Transaction. This section applies to a recurring or a one-time Transaction.

### **Overdrafts**

When You schedule a Funds Transfer or Easy Pay, using Home Banking or Easy Pay, You authorize and are requesting Us to withdraw the necessary funds from Your Account with Us and make payments for You from Your Account. We debit the amount of Your Funds Transfer on the Business Day You instruct Us to process the Funds Transfer between Your Accounts. Each instruction to Us to withdraw or transfer from an Account is an order to Us to pay from that Account on the specified Processing Date. If we are unable to complete the transaction for any reason associated with Your Account (for example, there are not sufficient funds in Your Account to cover the transaction), the transaction may not be completed.

We may charge Fund Transfers and Easy Pay against the Account even though the charge creates an overdraft. In some instances You will receive a return notice from Us. In these cases, you agree that a non-sufficient funds (NSF) fee will be charged in accordance with the credit unions established and published service fees. Further, You also agree that a NSF fee may be charged to Your account even if the payment is not returned but is paid and overdraws Your Payment Account. If You overdraw Your Account, You agree to immediately pay Us the overdrawn amount together with any applicable fees.

By enrolling for and using this Easy Pay Service You agree that We have the right to collect funds from all of Your Accounts to recover funds for all payments that have been requested to be paid by You and Your authorized user; this includes accounts on which You are the primary member-owner, as well as accounts on which You are the joint owner.

### **Expedited Payments**

Expedited Payments is a feature of Easy Pay that, depending on the payee and the time of day, enables You to have Your payments initiated and processed immediately. Expedited Payments allow You to send rush payments for delivery on standard business processing days (Monday thru Friday, excluding Federal Reserve Holidays). Expedited payments are delivered faster than standard payments. These payments are subject to a fee of: Electronic - \$15.00, Overnight Mail - \$40.00 that will be debited directly from Your Funding account in a separate ACH transaction. Depending on the intended payee and the time of day, Expedited Payments are available the same day or next day processing and posting. The system will automatically determine whether the Expedited Payments option is available to You to make payments to a specific payee, and it will also automatically determine the date by which your expedited payment will be processed. Expedited Payments are not available for any payees created under the Send Money feature.

Processing Time, depending on specific payee limitations and the time of day, You might not be able to set up an Expedited Payment for same day processing, which means that the deliver by date might be delayed until the following Business Day. If you set up an Expedited Payment after the cutoff time for same day processing, Your payment will not be processed until the following Business Day; in such case, the system will automatically notify you of this additional processing time before you approve the Expedited Payment.

There are some limitations. No single Expedited Payment transaction shall exceed \$500.00. Expedited Payments will not always be available. Depending on the intended payee and the time of day, You might not have access to Expedited Payments. If Expedited Payments is not available for an intended payee, it will not be presented as an option to you. Once you set up an Expedited Payment, you will never be able to edit or cancel it for any reason. Confirmation, You will receive a confirmation screen with reference information after every transfer you make.

### **E-Bills**

Some Payees have e-bill service available, where You can receive a copy of Your bill on the system. You may choose to receive bills from these payees electronically via Easy Pay. When the bill from a payee arrives, it will be routed based upon the options you previously specified for that payee. You will receive notifications based on the payee option you selected in your profile. If you have an automatic payment option set up and the bill is less than the maximum automatic payment, a payment for the bill is scheduled and placed in the Payment Outbox. If a payment has an invoice associated with it, the word, "Invoice" will appear beneath the dollar amount of the payment. If there is no automatic payment option specified, or the bill is for more than the maximum automatic payment amount, you must schedule and/or approve the payment before it is sent. E-bills are available on the system for 24 months.

### **Send Money Online**

Send Money Online permits you to electronically transfer money between your funding account at GPO Federal Credit Union to other financial institutions that are located in the United States and have valid ABA routing numbers or to send money instantly to anyone - Powered by PayPal.

We may amend or change the terms and conditions, including all applicable fees and service charges, of this Agreement at any time. We will provide You with notice at least thirty (30) days before the amendment becomes effective by sending written notice to You at Your address on record with Us if the amendment or change will result in greater costs or liability to You or stricter limitations on the transfers You may make.

To the extent permitted by applicable law, We will notify You of any such change or amendment electronically by posting such notice on our Home Banking login page. If however, an immediate change in the terms and conditions is necessary for security reasons, We may amend these terms and conditions without such prior notice.

Any use of the services after We send you notice of the change or amendment will constitute Your agreement to such change(s) or amendment(s). If you do not agree to the change or amendment, You must notify us prior to the effective date of the change or amendment and cancel your access to the Service.

Further, We may, from time to time, revise or update the programs, services, and/or related material, which may render all such prior versions obsolete. Consequently, We reserve the right to terminate this Agreement as to all such prior versions of the Easy Pay and/or Home Banking Service programs, services, and/or related material and limit access to the Service's more recent revisions and updates.
